Wildlife Management

Bow Hunt

Kerrville-Schreiner Park

The City of Kerrville will be holding the 4th annual wildlife management bow hunt at Kerrville-Schreiner Park, 2385 Bandera Hwy. The Southside / Hillside area of Kerrville-Schreiner Park will be closed to all traffic and park visitors during the month of December 2011. We apologize for any inconvenience.

Hunters are selected by a drawing process through the Texas Parks and Wildlife Department's Public Hunt Program. Texas Parks and Wildlife Department draws hunters electronically each year. Information on the program can be found at <http://www.tpwd.state.tx.us>.

In order to fully utilize any open hunt positions, the program utilizes standby hunters. Under the standby hunter program, a prospective hunter should appear in person on the morning of the first day of the specific hunt period to have a chance to fill an available hunting position. In the event more standby applicants are present than standby positions are available, standby hunters will be selected by a drawing at the area. Please note that standby spots are not guaranteed. Local hunters are encouraged to participate in the standby program.

Under the standby hunter program, hunters should appear in person by noon on the first day of a specific hunt period (designated A-E below) to have a chance to fill a potential hunting position. In the event more standby applicants are present than standby positions are available, standby hunters will be selected by a drawing held at the Kerrville-Schreiner Park Maintenance Barn. This drawing will occur at approximately 12:05 p.m. on the following dates:

A: Monday, December 5, 2011

B: Friday, December 9, 2011

C: Monday, December 12, 2011

D: Friday, December 16, 2011

E: Monday, December 19, 2011

For more information, please call the Parks and Recreation Department at (830) 257-7300 or visit our website at www.kerrvilletx.gov.
